Results for stages at which ID is checked

Stage 1	When entering a venue or close to the venue's threshold	**Pass**
Stage 2	Browsing the venue/machine games before inserting money into machine	**Pass**
Stage 3	Inserting money into the machine after browsing the venue and games on machine	**Fail**
Stage 4	After completing previous stages or approached when leaving a venue	**Fail**
Stage 5	No challenge throughout all stages whilst visiting a venue	**Fail**

1	If ID is challenged the tester should produce ID.
2	If asked for their age, the tester should respond accordingly and give their true age.
3	Testers will leave the premises should they be asked to do so.
4	When testing venue is a Family Entertainment Centre (FEC), the test will commence when the tester enters the Adult Gaming Centre (AGC), over 18s section.
5	Upon exiting the premises, the tester will complete the test via the web or app.
1	Clients will not be informed of a test date or a scheduled test event.
2	Testing schedule will not be released to clients or other testers.
